From the Principal's Desk..

*It gives me immense pleasure to bring the edition of E- Magazine, which has given amagnificent arena to the students to canvass their aesthetic and creative skills in a delightful fabrication. The Class- Teachers have played a significant role in nurturing and inspiring the ideas and emotions of the students in a spontaneous sensible and constructive manner. It's an attempt to understand the psychological need of the learners in this crucial pandemic crisis and engaging them optimally to perform exquisite and indigenous creative task for a holistic development.*

***Class Teachers' Message***

**“Creativity is seeing the same thing, but thinking differently” – As I remember a quote from Sri A P J Abdul Kalam. Children are equipped with creativity in an enormous capacity. Ideally they need a platform to express.**

**It's a prodigious prospect to bring together the students' ingenious and appealing work as a form of e-magazine. Nonetheless it is an iota of the endeavours shown by the students. We must thank Sri K Sankaraiah, Principal for having his ceaseless guidance and inspiration. The efforts and curiosity shown by the students, in bringing the e-magazine in place, are commendable.**

**The grace lies in painting the miniscule thoughts.**
