From the Principal's Desk..

*It gives me immense pleasure to bring the edition of E- Magazine, which has given a magnificent arena to the students to canvass their aesthetic and creative skills in a delightful fabrication. The Class- Teachers have played a significant role in nurturing and inspiring the ideas and emotions of the students in a spontaneous sensible and constructive manner. It's an attempt to understand the psychological need of the learners in this crucial pandemic crisis and engaging them optimally to perform exquisite and indigenous creative task for a holistic development.*

***Class Teachers' Message***

**“Creativity is seeing the same thing, but thinking differently” – As I remember a quote from Sri A P J Abdul Kalam. Children are equipped with creativity in an enormous capacity. Ideally they need a platform to express.**

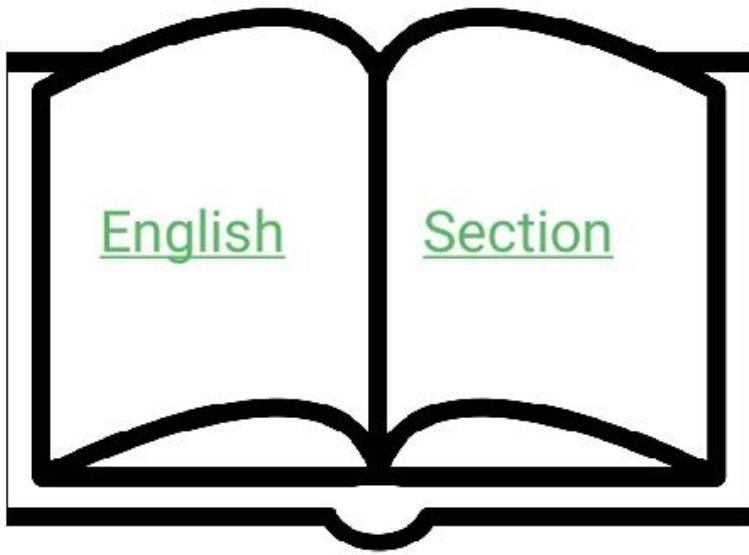

**It's a prodigious prospect to bring together the students' ingenious and appealing work as a form of e-magazine. Nonetheless it is an iota of the endeavours shown by the students. We must thank Sri K Sankaraiah, Principal for having his ceaseless guidance and inspiration. The efforts and curiosity shown by the students, in bringing the e-magazine in place, are commendable.**

**The grace lies in painting the miniscule thoughts.**

## MOTHER

Who is always behind us to bother  
You are the one who keeps the  
family intact.

Without you, our family  
would be in a shocking state.  
You are the one who sings songs for  
us at night.

And who always supports  
us in the period of great fright.  
When in fear you hold us tight unit  
From the window comes the early  
morning light.

We make mistake, which you always forget  
But you never do things for which we  
have to regret.

## FATHER

A dad is a person who is loving and kind and often he  
knows what you have on your mind.

When things go wrong, a dad can be patient and  
helpful and strong. In all that you do, a dad's  
loves play apart. There's always a place for him  
deep in your heart. And each year passes, you are  
even more glad, more grateful and proud just—  
to call him a 'Dad'

The poor never sleeps at night,  
They think from where to get the money.

The rich never sleeps at night,  
They fear of where to keep the money.

The student never sleeps at night,  
They fear for their Exams.

The teacher never sleeps at night,  
They fear for their students' results.

The parents never sleep at night,  
They fear for the future of their children.

The babies never sleep at night,  
They have a habit of crying.

The politicians never sleep at night,  
They fear for their positions.

I hope in this world of modification,  
We have forgotten the words of sleep & dream,  
As we have no time for relaxation.

शिक्षक तुमको मेरा नमस्कार

तूने ही दिया है संसार को आकार

तेरे ही कारण मैं मानव बन पाया हूँ

सतगुरु है मानव का सहारा

जिस कारण तेरा सम्मान है,

तेरे सामने सब समान है।

जिस कारण तू महान है,

तू एक सूर्य-समान है

जिस कारण ये संसार ज्ञानवान है

जिस कारण तू महान है,

तूने दुनिया को राह दिखाया

सरस्वती का तू दूजा रूप

यही है तेरा स्वरूप

शिक्षक तुमको मेरा नमस्कार

तूने ही दिया है संसार को आकार।।
