From the Principal's Desk..

It gives me immense pleasure to bring the edition of E- Magazine, which has given a magnificent arena to the students to canvass their aesthetic and creative skills in a delightful fabrication. The Class- Teachers have played a significant role in nurturing and inspiring the ideas and emotions of the students in a spontaneous sensible and constructive manner. It's an attempt to understand the psychological need of the learners in this crucial pandemic crisis and engaging them optimally to perform exquisite and indigenous creative task for a holistic development.

Class Teachers' Message

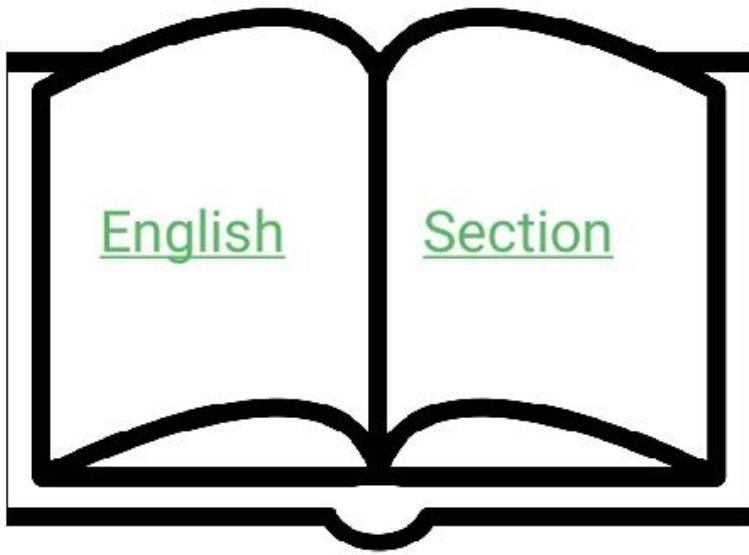

“Creativity is seeing the same thing, but thinking differently” – As I remember a quote from Sri A P J Abdul Kalam. Children are equipped with creativity in an enormous capacity. Ideally they need a platform to express.

It's a prodigious prospect to bring together the students' ingenious and appealing work as a form of e-magazine. Nonetheless it is an iota of the endeavours shown by the students. We must thank Sri K Sankaraiah, Principal for having his ceaseless guidance and inspiration. The efforts and curiosity shown by the students, in bringing the e-magazine in place, are commendable.

The grace lies in painting the miniscule thoughts.

My Dreams

I dream of a bird - to fly high in the sky,
I dream of a mountain – to stand still,
I dream of a river – to help on my way,
I dream of a tree – to serve people,
I dream of a land – to hold everyone
I dream of an ocean – to engulf the world

My Study At Home

I study from home now-a-days. I use mobile and laptop. Our teachers take online class. I can understand the class. I learnt to use different apps. I study well. But I miss my friends, teachers and school atmosphere. I liked the games period in my school.

हिन्दी

विभाग

हिन्दी का महत्व

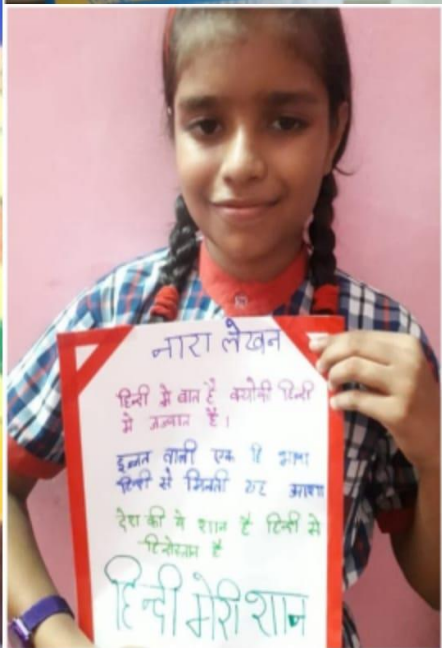

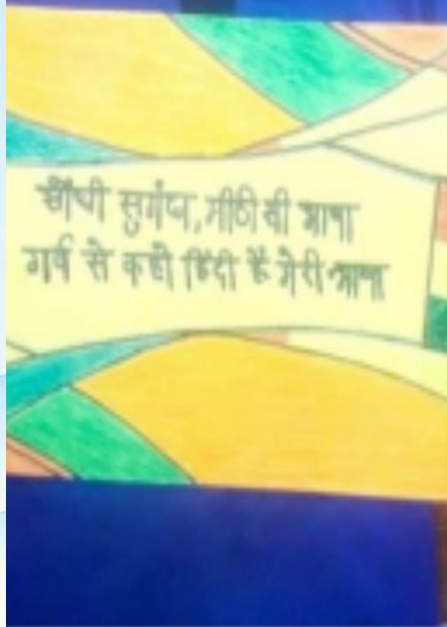

हिन्दी का महत्व केवल राजभाषा के रूप में नहीं बल्कि जनभाषा के रूप में सर्वोपरि है। क्योंकि यह साक्षरों की ही नहीं बल्कि निरक्षरों की भी भाषा है। यह हमारे लिए गर्व की बात है कि हिन्दी को देश ने ही नहीं बल्कि विश्व स्वीकार किया है।

हिंदी शिक्षण का उद्देश्य:

* बच्चों को शुद्ध बोलने तथा शुद्ध लिखने का ज्ञान देना।

“हिंदी में पत्राचार हो
हिंदी में हर व्यवहार
हो, बोलचाल में हिंदी
ही अभिव्यक्ति का
आधार हो।”

“हम सब का अभिमान
हैं हिंदी, भारत की शान
हैं हिंदी।”
